

STATEMENT OF SIGNATURE AUTHORITY

Various Registry transaction forms require the signature(s) of the owner, breeder, buyer, seller, lessor, lessee, and/or agent. When a horse is to be registered in the name of a farm, limited liability company, corporation, partnership, trust or other entity rather than the name of an individual, a "Statement of Signature Authority" form must be filed with the Registry showing the name(s) and signature(s) of all persons authorized to sign forms or other documents relating to transactions for that entity. In addition, this form may be used by an individual to authorize others to sign on their behalf.
