

How to Register a Half Saddlebred

A Half Saddlebred Application for Registration form must be completed and submitted with relevant fees.

- One Parent, Sire or Dam, must be registered with the Registry of the American Saddlebred Horse and Breeders Association.
- DNA testing must be performed for parentage verification.
DNA Testing Kit \$50
OR submit DNA results from other Registry/Lab \$25
- Fees
Registration Fee (all ages) \$50
Registered with another breed registry/association – reduced rate \$35
(i.e. Dutch Harness Horse, etc. Include copy of certificate)
- Submit four color photographs (front, back, and each side). Photos can be emailed to registry@saddlebred.com.
- The recorded owner of the horse's sire must complete and sign the breeder's certificate section of the application form OR submit a signed stallion service report.
- The unregistered foal transfer report section of the Application for Registration form must be completed if the recorded owner of the dam at the time of foaling is different from the current owner of the foal.

Unregistered Foal Transfer Report – page 2 of application form \$25

Please feel free to contact the Registry at registry@saddlebred.com or call (859) 259-2742 or send a fax to (859) 259-1628.
