

## Stonewall Supreme 2009

Stonewall Supreme was a bay stallion with no markings that foaled in 1941 in Missouri. Sired by the great Stonewall King, he was out of Mamie Peavine BHF by Richmond Choice, a son of Rex Peavine. He was shown successfully, and even placed in the ribbons at Louisville in the 5 Gaited Stallion Stake. However it was as a grand producer of colts that he made his mark. Siring a total of 144 offspring in a 27 year breeding career, he averaged just a handful of colts annually. From these small crops, he sired excellent show horses as well as breeding stallions and mares that are coveted in any pedigree.

He sired numerous Champions including WC CH **Duchess Delovely**, WC CH **Penny's Stonewall** and WC CH **Stonewall Parfait** who excelled in the 3 gaited division and WC

CH **Stonewall's Sound of Music** who was 5 gaited. His son WC CH **Stonewall's Crescendo** showed in Fine Harness. Penny's Stonewall also went on to produce breeding stallions Rare Treasure and Penny's Superior Stonewall, both sired by WGC Superior Odds. Stonewall Parfait was the mother of the good broodmare Longview's Parfait.

Stonewall Supreme sired a number of noted sires, including the previously mentioned WC **Stonewall's Crescendo** that foaled in 1962 and was out of Marie Bosace BHF. He sired CH WC Cavalleria, WC CH Coaltown Prince and WGC CH Black Irish who were all geldings. Another son, **Supreme Hi Lite** was one of Stonewall Supreme's last colts, having foaled in 1970. Bred by Alice Seabright, he was later owned by Tom Ferrebee who showed him throughout his career. He was 3rd in the 5 Gaited Stallion Stake at Louisville in 1976, and 2nd there in 1977. Long-lived like his sire, his last foal came in 2001. Some of his better colts were Dianna Hi Lite, RWC Prom Queen, RWC Lite Fantasia and WC Karissa Hi Lite. **Jay O'Lee** was bred by Ruxer Farms and was out of Molly O'Lee. He later sold to Danny Daniels and stood in California. He sired CH Red Hot, WC Jay's Happy Hour, RWC Vanna White and CH Take my Picture. The Stonewall Supreme son **Supreme Rights** was bred by Bob Whitney. Foaled in 1963, he was later owned by Charlotte Osborn Barrett, George Gwinn and Singing Hills. He sired CH Imperial Rights and CH Symbolism. **Donalene Supreme** was another colt from 1963 and also bred by Bob Whitney. His dam was Jane Fable, a full sister to WGC Edith Fable. He stood in Ohio under the ownership of Roy Pavey. He sired Leticia Supreme, dam of WC CH Intoxicating Lady and a number of other nice broodmares. He is well recognized in Ohio-bred pedigrees. **Stonewall Starfire** appears on pedigrees most often through his South African son (SA) Mr USA, who is on the pedigrees of Dorian Warrior's Song, (SA) Tornado, (SA) Molligny Don't Worry be Happy and WC (SA) Calif First Night Out.

All the above makes Stonewall Supreme an important sire in the American Saddlebred breed, but he really made his mark as a sire of broodmares. Out of 82 daughters, 6 entered the Broodmare Hall of Fame.

- WC CH **Dream Hill's Ann Thompson BHF** was a 3 gaited mare and later produced WC Santana Ann, Dreamboat Annie, WC CH Epcot Center, and RWC Citibank.
- WGC CH **Supreme Airs BHF** showed in the Fine Harness division and produced many breed builders including WGC CH Foxfire's Prophet, Putting on Airs BHF and WC Supreme Heir, a number one ranked sire.
- **Supreme's Casindra BHF** produced RWC Sultan's Casindra, a good broodmare in her own right, WC Sultan's Great Day and WC I'm Sultana!
- **Supreme Fascination BHF** was a full sister to Supreme Airs. She produced RWC Lite Fascination, breeding stallion The Chairman of the Board, and WC Karissa Hi Lite. Lite Fascination and Karissa Hi Lite were sired by Supreme Hi Lite, so they have a double shot of Stonewall Supreme.
- Another Stonewall Supreme Broodmare Hall of Fame daughter was **Supreme Desdemona BHF**.

- **Dixie Duchess BHF**, when bred to Oman's Desdemona Denmark, established one of the golden crosses of the Saddlebred breed. Together they produced WC CH Glenview Radiance, Valley's Desdemona Denmark, WGC CH Belle Elegant, WC CH Summer Melody, All Hail Columbia and WC CH Denmark's Grand Duchess.

Stonewall Supreme's contribution to the breed comes from many angles, but it surely is invaluable. All this out of less than 150 total offspring!
