

ASHBA Prize Programs Shine At All American Horse Classic

The ASHBA prize program showcased promising young American Saddlebreds and Half Saddlebreds at the All American Horse Classic. The program recognizes and rewards the dedication of breeders, owners, and trainers committed to raising and developing top-quality American Saddlebreds.

The 2025 ASHBA National and National Amateur Futurities were highly competitive classes, including the ASHBA National Futurity Weanling class with 21 entries. All Saddlebred National Futurity winners and reserve winners will be awarded the WC and RWC titles on their official show records.

Congratulations to all ASHBA futurity champions at this year's All American Horse Classic.
