After two years of college, I realized my passion was with the horses and not in my major. Leasing stalls in upstate New York I started a public training stable where I was working Arabians, Morgans and Saddlebreds. Several years later I took a job at Misty Hills owned by Maynard Casler. This gave me a chance to work with and show some very nice Saddlebreds. Four years later after a particularly cold winter in New York I took a job with Mr and Mrs. Perwien at Bluebonnet Farm in Bellville, TX. I have been with Bluebonnet Farm for approximately 30 plus years. I also enjoy judging and working on several ASHBA Committees.

2. Several years ago as Registry President I was able to help merge the Registry and ASHA back into one unified entity.
3. As a member of the Equine Welfare Advocacy Committee I have helped put together several fund raising auctions. And with the help of numerous trainers, photographers and other equine professionals that were kind enough to donate their services we have been able to help give out funds for several seizure cases and rescues that needed a little extra help.

I want to be on the ASHBA Board of Directors because?

As a trainer/breeder from Texas I would like to be on the ASHBA Board so I might ask for programs (or adjustments to programs) that could work in geographically challenged areas.

What I would like to accomplish most for the breed is:
