Join Us In Shaping the Future of Half Saddlebreds.

Your support helps grow the community and promote the breed through two key initiatives: the **Futurity Auction** and the **Half Saddlebred Registry**.

Half Saddlebred Futurity Auction

The 2026 Half Saddlebred Futurity Auction runs **February 5-9, 2026** online, featuring over 50 stallions with exceptional genetic potential. This event provides breeders with access to top bloodlines and competitive opportunities, culminating at the **All-American Classic Horse Show**.

Half Saddlebred Registry

The Half Saddlebred Registry builds a vibrant community by funding year-end awards, scholarships, and promotional events. Half Saddlebreds offer versatility and cost-effective options for owners and competitors, making them an exciting addition to the sport.
