

2024 Breed Ambassador Award Winners

The ASHBA Breed Ambassador Program recognizes and celebrates those who help to promote the American Saddlebred, whether they have one horse or one hundred, whether they live in the great west or in the heart of horse country, and whether they compete in saddle seat, dressage, trail riding.

Points can also be earned for riding in parades, getting on television or in magazines, going to exhibitions, attending open breed shows, and a myriad of other activities. We recognize that no one outreach event works in every area, and that anything we as a community can do is valuable.

Any ASHBA member and their registered full or Half American Saddlebred who takes the time to reach out and share the breed with those outside our Saddlebred community can earn points to become a Regional Breed Ambassador, and possibly a National Champion Breed Ambassador!

Congratulations to all of our 2024 Breed Ambassador Award winners! We thank you for the service and promotion of the American Saddlebred throughout the 2024 year.
