

APPLICATION FOR EXCLUSIVE USE OF FARM NAME

CURRENT REGISTRY RULE: SECTION X. REGISTERED FARM NAMES

Exclusive use of a farm name for the purpose of using the entire farm name or an approved portion of the name as a prefix or as a suffix for a horse's registered name may be granted upon submitting the proper application with the required fee provided the following conditions are met:

1. Use of the farm name selected has not already been exclusively granted.
2. The name applied for is not one to be considered in the public domain, such as "American" or "Beauty," etc.
3. Payment of \$1,000.00 has been made for the registration of the farm name.

Note: When a farm is sold, exclusive use of its registered name does not pass to the purchaser. Written release of the registered farm name must be submitted to the ASHBA office by the person to whom exclusive use was originally granted. Application for exclusive use of that farm name must then be made by the purchaser at the initial registration fee of \$1,000.00. Once a farm name has been registered, the Registry will recognize no other user except the registrant.

See Section IV.A.3. regarding limitations on changing a horse name with a registered farm name as a prefix or as a suffix.
